Dear Pierre,

We are sending the enclosed 1-year certification documents to you with the greatest of pleasure.

The Certificate of Excellence that you have earned goes to programs that have achieved the required elements of fidelity to the Model. When I visited your program, I felt that you have created an excellent and very unusual program with your dedication and commitment to excellence. I have made a few recommendations in the suggestions and recommendations sections of my reports. I know how much hard work and professional expertise it takes to create and sustain a program like yours. I look forward to working with you further as you add a little more depth to the excellent service you have created. We at Matrix congratulate you on this notable accomplishment.

We will, with your permission, list you on our website as a Program of Excellence and we will recommend your program unequivocally whenever we have the opportunity. We commend you for helping so many people. It's a pleasure to be associated with your organization.

Sincerely,
